

Melissa High School Graphing Calculator Checkout Form

Last Name: _____

First Name: _____

ID Number: _____

Please read and sign below:

Melissa High School provides graphing calculators to students enrolled in classes where the use of this calculator is required. If a student has a personal graphing calculator and wishes to use it at school, it is not necessary to check out a school calculator.

I understand that my assigned calculator is valuable and delicate equipment, and that I am expected to handle it responsibly. I understand that if the calculator is damaged, lost, or stolen, I am responsible for the cost of replacing it. I will also replace batteries as needed. The replacement cost of the TI 83+ graphing calculator is \$99. The TI-84+ model is \$109.00
